

# Hand-Held Flare (Red) L-21

# LECEA

SISTEMAS PIROTECNICOS AVANZADOS

## DESCRIPTION:

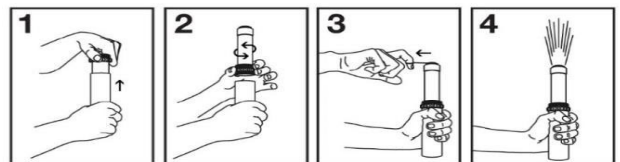

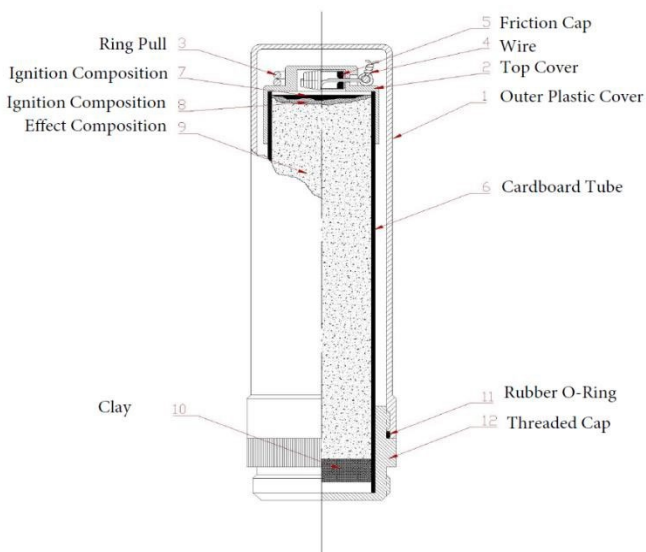

Distress handheld signal to be carried on boats and marine vessels including leisure crafts. Red hand-held flare that expels an intense red light. Unique small and compact design that is waterproof and airtight. Flare handle adapts and extends in length for safe handling during operation. Conforms to SOLAS 2014/90 UE and IMO Res. MSC.81(70) regulations.

## APPLICATION:

As a distress signal for all kinds of boats, it is suitable for day or night use and ideal for accurate position marking.
